

Application for Recognition & Credit Transfer Achievements from International Mobility

Your details:

Matriculation No.: _____
Surname, Name: _____
IN.TUM Degree Program: _____
(e. g. Bachelor Informatics)

Details of your international mobility:

Host University: _____
Country: _____
Start & End of Stay: _____
Program: _____
(e. g. ERASMUS+, TUMexchange)

Application:

Herewith, I request recognition and credit transfer for courses undertaken during my international mobility, as detailed on the following page(s).

I have included all relevant information and documents:

- List of courses to be recognized (attachment to this form)
- Transcript of records (ToR)
- Pre-Check confirmation for each course
- Official information on grading scheme and workload (if not on transcript)

Date: _____ Student's signature: _____

How to submit your application:

- Save all documents in pdf-format, using the following file name pattern:
 - Outgoing_Recognition_YourMatriculationNumber_Application
 - Outgoing_Recognition_YourMatriculationNumber_Transcript
 - Outgoing_Recognition_YourMatriculationNumber_Pre-Checks
 - Outgoing_Recognition_YourMatriculationNumber_FurtherInformation
- E-mail us your application
 - Use the following subject line: Outgoing Recognition – Your Name
 - Send the files to recognitions-in.asa@xcit.tum.de

List of courses to be recognized

Item No.	Host University Information				TUM Information			
	Course Number	Course Title	Work-load	Grade	TUM Module Number (1)	#fo (2)	#gp (2)	#sf (2)
e. g.	CS 12345	Computer Science I	5	75	IN0001			
e. g.	CS 67890	Data Base Systems (Advanced course)	6	80	Elective Modules Informatics (DBI)			
1								
2								
3								
4								
5								
6								
7								
8								
9								
10								

Add a second page if necessary.

(1) If no equivalent TUM module available, state requested elective area.

(2) Internal. Do not fill in these columns.

THEO recognition (Master Informatics only)

If any courses are to be recognized as theory modules, list the respective item number(s) from the table above here: _____

Don't forget to include the specific pre-check confirmation for THEO.
